

Clarifications on Issues of Concern

I. About Entry Visa Application

International clients such as the mission members and CISM participants are required to use the Confirmation on the Eligibility of Participation in the 7th CISM World Games to apply for visas to enter China. Any international client who does not register online through the Sports Entry and Accreditation System will have no access to download the Confirmation Letter from the system, and thus be unable to participate in the Games.

VI. Other Issues

1. Other accreditation-related issues The *Mission Accreditation Manual*, *CISM Accreditation Manual*, *Media Accreditation Manual* and *SUMOC Accreditation Manual (International_Participants)* are available on the Sports Entry and Accreditation System. Please read the proper manual to find details about the accreditation procedures, distribution of accreditation cards, supplementary passes, Games-time accreditation facilities and service, and access entitlements.

2. Application for the radio frequency usage license Mission members must register their radio transmission equipment (excluding public mobile communications equipment) in advance. For details, please refer to the *Guide on the Application for the Radio Frequency Usage License and the Usage of the Transmission Equipment during the 7th CISM World Games and Its Preparation Period*, which is available on the official website of the 7th CISM World Games (<https://www.wuhan2019mwg.cn>) with a simple click

on "Radio Frequency Application Entry".

3. Medical and health care matters All the mission members are required to fill in the *Application Form of Practitioners and the List of Drugs/Medical Products/Equipment*. For details, please refer to the *Notice on Missions Filling in the Application Form of Practitioners and the List of Drugs/Medical Products/Equipment* in the Bulletin column of the official website of the 7th CISM World Games.

4. Submission of arrival and departure information International clients such as mission members and CISM participants must provide their accurate arrival and departure information prior to July 18, 2019 in the accreditation module of the Sports Entry and Accreditation System. If you need to modify the arrival/departure information after July 18, please email the modifications to the International Relations Department of the Executive Commission (email address: sumoc@wuhan2019mwg.cn).

5. Customs clearance For articles such as competition equipment, medical equipment, medicines, radio transmission equipment and devices, television broadcasting and news reporting equipment, firearms and ammunition for competition purpose, international clients must fill in the *List of Imported Articles for the 7th CISM World Games*. The form of the aforementioned list will be released later on the official website of the Games when the corresponding policy is finalized and announced.
